Second Class Mail - Registration No. 1738. Deseronto, Ontario,

Thursday, January 3, 1974

Volume IV Number 17

Library for Tyendinaga Twp.

Tyendinaga Township Council, at their December meeting, passed a By-Law to establish a public library. The By-Law was passed at the request of the Tyendinaga Community Association and will be located in the former Shannonville School. Named to the library board are Reeve Leonard Walsh, Messrs. Stephen Geneja and Angus York, Mrs. Jean Rump and Mrs. Gail Payette.

Hastings County Council expect to adopt an Official Plan for the Hastings County Planning Area in 1974. The Planning Study and the Official Plan with related maps may be inspected at the Township Office. A public meeting for the residents of the Township of Tyendinaga and the town of Deseronto to discuss the official plan will be held at the Town Hall in Deseronto on January 10, 1974 at 7:30 p.m. The first meeting of Township Council in 1974 will be held on Tuesday, January 8, 1974, commencing at 11 a.m.

This interesting photo shows Camp Mohawk during its days as an airforce training centre during World War I.

Lyons seeks warden's post

Reeve George Lyons, recently re-elected in Deseronto's Municipal Elections, announced at Hastings County Council sessions in Belleville that he is one of three considering the warden's post in 1974.

Elections will be held at the county council's first session of the New Year, 10.00 a.m. Jan. 15, at the county building in Belleville.

The others seeking the post are Huntington Township Reeve William McRae and Faraday Township Reeve Jack Faraday.

The last Deseronto warden was James Dryden in 1911.

The Reeve, entering his sixth year on Deseronto Council said he is opposed to regional government.

This will be the third time he has sought the wardenship. Warden for the last year has been Thurlow Township Reeve Horace Casey.

Tony's Robbed

At about five minutes after 7 p.m. on Dec. 24th, a person wearing a nylon stocking over his head entered Tony's Variety Store in Deseronto and handed the clerk a note demanding that she hand over the money in the till.

The thief got away with just over \$300. At this time, Police are not sure whether or not the robber made his get-away in a car or not.

This is Deseronto's Main Street during W.W. I. Aircraft can be seen in the right-hand corner. On the left is the Post Office.

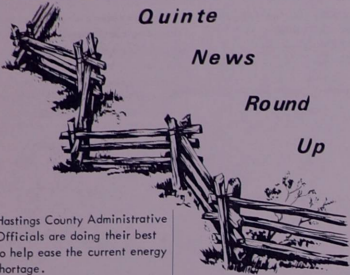

The Identification Unit of the Belleville Detachment of the Ontario Provincial Police are attempting to trace the thief from his fingerprints which were on the note handed to the clerk.

Deseronto Police have also issued a warrant for the arrest of a Napanee man for break, enter and theft, and theft of an automobile, which occurred on Oct. 6, 1973. The thief broke into Barnwell's Grocery and got away in the stolen vehicle.

News

Round
Up

Hastings County Administrative Officials are doing their best to help ease the current energy shortage.

The report of the council finance, property and promotion committee read by Huntingdon Reeve George Wood said that during weekends and days when courtrooms, council chambers and committee rooms are not in use, thermostats are turned down to their lowest possible setting - 60 degrees.

Every other light in the hallways on all three floors of the county administration building have been turned off and thermostats were not set above 70 degrees during working hours.

Floodlights outside the administration building are automatically shut off at midnight and at the end of each day, blinds in all offices are closed and reopened the following morning.

The second stage of a \$15 million expansion of the Picton Plant of Lake Ontario Cement Ltd., was announced by the company on Monday. The plant is located just east of Picton on the high shore.

Addition of a new large kiln in the company's growth at Picton will employ the latest technology and includes four-stage pre-heater, clinker cooler, and related dust collection, dual preparation and materials handling equipment.

The new Global Television Network is scheduled to begin broadcasting Sunday, Jan. 6 at 6 p.m. with a five-hour festival of specials to celebrate their debut.

Launched initially in Ontario, Global is to be Canada's third television network and it will be viewed on Quinte Cablevision's

Channel 2 in Picton.

Source of Global's programs for this area is a transmitter located in the Bancroft vicinity.

Alan Capon's "Stories of Prince Edward County" is a best seller in the Quinte area. More than 800 copies of the 1,000 first editions published by Mika Publishing of Belleville, have been sold since it was released two weeks ago. A second printing to serve the 1974 tourist trade is being considered.

Belleville police report a counterfeit \$20 bill has turned up in a city bank. Deputy Police Chief Harold Reid reports that the counterfeit U.S. bill was found in the day's deposits of the Royal Bank. It was made of poor quality paper and carried the serial number B 05929460A.

The first term of pre-kindergarten will start at Deseronto Public School in mid-January. At the present time there are 13 enrolled for this class. Parents who wish their pre-schoolers to enroll in the second term are asked to contact the school some time towards the end of January. The pre-kindergarten program has been operating in the Deseronto school for several years and has proven successful. It provides two classes per week for six weeks for children who will be starting kindergarten the following year. Volunteer teachers for the first term will be Mrs. Madeline Cassidy and Mrs. Barbara French.

Unemployment Insurance Canada has opened a new office in Belleville. It will serve claimants in Prince Edward and Hastings counties - previously served by the UIC Kingston office.

The new office is at 228 Dundas Street East.

This year has seen a marked increase in the use of the school building in Deseronto, by the public at nights. It is now not uncommon for the school to be in use 6 or 7 evenings a week. Currently there are 15 groups using the facilities on a regular basis. The area of the school in the greatest demand is the auditorium.

A woman telephoned the Whig Standard last week to complain that the paper stinks. She meant its odour, not its content.

The paper has been having problems with a few newprint rolls that got an overdose of sulphur when the wood pulp was being processed.

Power was cut off and damage estimated at \$3,500 when a car driven by Robert Maracle of

R.R.1, Deseronto went out of control and hit a parked car, a veranda, and landed on the front porch of a house in Deseronto after hitting several poles which cut off power.

Although they lost their home ice for a while in Tuesday's fire, Wellington hockey teams will continue their season with ice time donated by other arenas. Tuesday's fire in the Wellington arena apparently started after a blowtorch was used in an attempt to thaw frozen water pipes at the east end of the building.

COUNTY OF HASTINGS

Public Notice

THE PUBLIC IS INVITED TO A MEETING IN THE TOWN HALL, 331 Main Street, Deseronto, Ontario, on THURSDAY, JANUARY 10th, 1974 at 7:30 p.m.

The Hastings County Planning Board has arranged a series of meetings throughout the County for the purpose of informing residents of the Official Plan which the County Council is considering adopting.

The meeting in Deseronto, Ontario will be of particular interest to the residents of the Township of Tyendinaga and Town of Deseronto.

The Official Plan will establish the pattern which development within the County of Hastings Planning Area should follow during the period of 1974-1991.

Copies of the Plan are available at all Municipal Offices and Public Libraries and may be inspected during normal office hours.

Happenings

Deseronto

Mrs. Kay Hood
396-2119

On Friday, Dec. 21, the Presbyterian Sunday School held their Christmas Party. At 6.30 everyone - parents, children, and members of the congregation - enjoyed a delicious pot-luck supper. Following this, the children put on a short programme. Rev. Robert Jones acted as Master of Ceremonies. The whole Sunday School opened with the singing of "Silent Night" and a few action choruses. A junior, Kathy House, gave the welcome Mrs. Jean Griffiths' and Mrs. Kay Hood's classes - Tiny Tots and Kindergarten - sang "Away In A Manger" and gave short recitations, including the singing of "Happy Birthday, Baby Jesus", much to the delight of parents and friends. Mrs. Dorothy McCullough held two Christmas puzzles, with the audience taking part. Two of her class, Steven Boomhour and Nancy House, gave recitations. A two-part poem, originally for the Intermediates, entitled "Little Lost Jesus" was read by Mrs. Mabel Moore and Mrs. Jean Griffiths. Clifford Maracle led in the singing of carols. Offering was received by Shirley Klaver and Brenda House.

The exciting part of the evening for the little ones was the arrival of Santa Claus. Each child received a gift and a bag of candy. Mrs. Moore, on behalf of the Sunday School presented Mr. and Mrs. Jones with a gift, and Mrs. Hood presented one from the Ladies Aid. With the singing of "We Wish You A Merry Christmas" the evening came to a close.

Guest at the home of Mr. and Mrs. Mervin Sherman for Christmas were Alex, Bill and Mary Louise Laverture; Mr. and Mrs. John Lori of Chalk River; Mr. and Mrs. Michael Sherman of Napanee and Miss Joanne Jackson of Napanee.

Mrs. Jean Griffiths spent Christmas with her sister, Mrs. Marie Watson and family, in Napanee. Another guest for Christmas dinner from Deseronto was Mr. Bob Sherman.

We are glad to hear that Mrs. Lottie Anderson has returned home from the Napanee hospital.

The Christmas Party at Quinte Beach Nursing Home, held on Sunday afternoon, Dec. 23 by various church women's Groups in the community, was a great success. Later in the afternoon, a few members from the Salvation Army in Napanee called in and they joined the other groups in the singing of carols. Everyone had a very enjoyable time. Santa paid a visit and distributed gifts to everyone. Supper was served by the ladies.

Mrs. Sam Geddes spent Christmas with Mr. and Mrs. Clinton Brown and Mrs. Grace Brown near Belleville.

Mrs. Lena Rosborough and her brother, Mr. Ross Weaver and Mr. and Mrs. K. Coventry of Picton, spent Sunday with Mrs. James Hines.

Mrs. Violet Barbier, Peter and Kim, of Kingston spent Christmas and New Year's with her sister and father, Mrs. Kay Hood and Mr. Albert Reed.

Guests of Dr. and Mrs. Roger Hirst of Picton on New Year's Eve were Mr. and Mrs. David Taylor of Picton, Mr. and Mrs. Douglas Mallory of Bloomfield, Dr. and Mrs. Don Johnson of Ottawa, Dr. David Grier of Picton and Miss Darlene Grier of Picton.

Empey Hill

Mrs. Ruby Tucker
388-2216

Mr. and Mrs. Grant Kimmerly had their family home for Christmas dinner, and Terry and Diane spent Christmas evening dinner with her parents - Mr. and Mrs. A. Loucks and family, Toronto.

Mr. and Mrs. Bert. Russell and Mr. and Mrs. D. Marriott, Kingston, and Mr. and Mrs. Jim Stafford and boys, Napanee were guests of Mr. and Mrs. Roy Stafford.

Mr. and Mrs. Garnet Dupre were Christmas guests of Mr. and Mrs. Kirk Dupre, Whitby.

Guests of Mr. and Mrs. Frank Thompson were Mr. and Mrs. Floyd Switzer, Kingston, Mr. and Mrs. Ron Thompson and baby Christa, Toronto and Mr. and Mrs. C.J. Akey.

Mr. and Mrs. Norman Kimmerly and family were with Miss Marie Emmons, Belleville.

Mrs. Robt. Harvey is visiting Mr. and Mrs. Harold Groones, Dorland.

Mr. and Mrs. Harold Kimmerly entertained Mr. and Mrs. Earl Badgley and family, and Mrs. Roy Badgley, Melrose; Mrs. C. Perry, Mr. and Mrs. Blaine Loft, and Mark, and also Miss Jane Kennedy, on Christmas Day.

Letter To The Editor

On behalf of CARE Canada, we would like to thank all those who sent in donations to CARE during the year just concluded. Their support during 1973 has enabled us to continue assisting the needy and to help those in some 34 countries of the developing world to help themselves. CARE's ongoing food, self-help development and medical-aid-and-training programs assist over 30 million people in Africa, Asia, Latin America and the Middle East, both saving lives and bringing better, more self sufficient futures.

While expressing our appreciation to all CARE contributors we would also encourage them to continue their generosity towards CARE's on-going programs in the future.

Thomas Kines,
National Director,
CARE Canada,
63 Sparks,
Ottawa, Ontario.
K1P 5A6.

Quinte Old Timers

The Quinte Old Timers had a Christmas Party in the Lions Hall, Main Street on Dec. 19. More than 60 members were present and at 1:00 o'clock after a few remarks from the President, Gordon Walker and the singing of Grace by the members, all sat down to a delicious pot-luck dinner. After the meal, Mr. Roy Stuart with Mrs. Clarence Reid playing the piano, entertained with singing, jokes, contests, etc.

There was an exchange of gifts for the guests, with Mr. and Mrs. Leo Palmer in charge. A door prize, the draw made by Father VanDer-Heijden, was won by Mrs. Bertha Boston.

There was an air of happiness and many expressed the feeling that it was wonderful that Senior Citizens could

have the opportunity of a get-together and should have dinners more often.

Three new members were enrolled: Mrs. Janet Herman, Mrs. Kathleen Allen, and Mrs. Ruby Tucker, which brings the membership soaring toward the 100 mark.

There will be no drop-in meetings until after the holiday season.

Ministry of Labour

newsrelease

Employers throughout Ontario have been asked by the Provincial Government to help inform employees of the latest changes in employment standards.

Increases in minimum wages to \$2 per hour, and increases in vacation pay and employee-entitlement to paid statutory holidays were recently announced by Labour Minister Fern Guindon. They became effective January 1.

About 265,000 letters containing two copies of a bulletin outlining details of the changes in employment standards, are being mailed to employers.

The letter asks employers to post the bulletins for their workers to read as required by the Employment Standards Act, Section 37, which is being used for the first time.

The mailing, one of the largest from the government to Ontario business and industry, involves use of a new list provided by Statistics Canada. It, too, is being used by the Ministry for the first time.

Details of the new standards were announced by Mr. Guindon on November 1 to give employers as much lead time as possible to make adjustments to the proposed wage

increases.

The Minister said that requiring companies to post the bulletins was designed to supplement an advertising program planned for early in the new year to inform employees of the new labour standards.

"It also indicates our intention to continue vigorous enforcement of this legislation which is intended to protect the workers who have little bargaining power," Mr. Guindon said.

In the first nine months of last year, the Employment Standards Branch collected \$2,400,000 for employees who had not received payments required by all standards of the Act.

SNOW AND ICE MAY DAMAGE SHRUBS.

Protect shrubs and evergreens with wrapped twine or burlap. Small evergreens could be covered with an A-frame type structure to take the weight of the snow, suggests Burke McNeill, horticultural specialist with the Ontario Ministry of Agriculture and Food.

Heavy loads of wet snow can be removed easily by gently shaking the plant or by sweeping the snow off with a broom.

Ice is a slightly different matter. When the trees and shrubs are loaded with ice, don't touch them. Wait until the ice starts to melt, then shake the plants gently to remove it.

No matter how careful you are, there is bound to be some slight damage to branches. However, shrubs and evergreens recover quickly; if the main stem is not broken, they will return to normal next spring.

These are further scenes from both Camp Mohawk and Camp Rathburn, situated near Deseronto.

During World War I, the social life of Deseronto centred around the Camps. Among notable trainees and instructors at Camp Mohawk and Camp Rathburn was Vernon Castle (of the famous dancing Castles), who was killed flying a plane similar to these.

This airplane is the one used by Vernon Castle to train students at Camp Mohawk. On the tail of the plane the "Castle" insignia can be seen.

WINTER CHECK UP

Winter is now closing in upon us. The warm air has changed to cold and we often find a cover of frost on our vehicles when it is time to go to work. Quite often there are snow flurries. This means one thing; it is time to get our vehicles in shape for the long, hard winter.

1. Put your snow tires on. If they are old ones, make sure they are road worthy and will last you the winter.
2. Make sure your exhaust system is in good repair.
3. Have your mechanical equipment checked.
 - a) windshield wipers
 - b) windshield washers
 - c) lighting system
 - d) heater
4. Check your anti-freeze.
5. If your engine is not running properly have a licenced mechanic check it; you may need a tune up. If it is running properly it makes for easier starting on cold mornings.
6. A plug in may aid in cold morning starts.

Wednesday, January 9, 1974

Volume IV Number 18

- the Ontario government has been told by independent consultants that development of Northern Ontario's vast lignite deposits is not only economically feasible but that it might make a "significant contribution" to the province's power supplies.

-the decision against putting Ontario on daylight saving time proves that you can fight Queen's Park and win. A major factor in the cabinet's decision to stick with standard time was the opposition of rural school boards, who feared that children waiting along roads for buses in pitch blackness would result in too many accidents.

-Police planning is already underway to ensure that the summer of '76 won't be a

replay of the Munich Olympics. With the 1976 Olympics still more than two years away, a special group comprised of the R.C.M.P., Kingston and Montreal city police and the O.P.P. has already been set up to deal with security.

- U.S. buyers of Canadian crude oil will pay \$10.50 a barrel starting next month, compared with the price in Edmonton, frozen at \$4.10.

- thousands of Kingston residents jammed into the newly-renovated City Hall to inspect the building's new interior. The 130 year old building has been closed to the public for a year, while renovations were taking place.

- the first legislation to

limit spending by political parties and subsidize candidates in federal elections was approved by the House of

Commons last night after months of discussion and compromise.

The Election Expenses Act will make sweeping changes in the financing of election campaigns, require public disclosure of donations over \$100, limit radio and television campaigning and provide a large injection of public money into elections, both as direct support to candidates and in the form of income tax deductions for contributions.

-significant progress seems to have been made towards a Middle East peace agreement with the announcement Wednesday that the Egyptian-Israeli military talks have reached an important stage.

Deseronto Police Report

In December, Deseronto Police investigated 59 complaints and answered 154 other calls. There were 3 reportable accidents, 10 charges under the criminal code, 5 under the Liquor Control Act, 10 under the Highway Traffic Act, and 2 charges under by-laws. Tags issued for parking violations totalled 28. The Police Department served 6 summonses for other forces and conducted 3 investigations for other forces. There was one theft over \$50.00 and one under \$50.00. Value of property stolen totalled approximately \$400.00.

The Police had a busy year in 1973 with a total of 725 complaints, compared with 659 last year. Value of property stolen was approximately \$6,464.65; last year this figure was \$1,219.50. In 1973 there were 21 reportable accidents and 10 non-reportable. Number of persons injured was 5. Accidental deaths other than in traffic totalled 4. There were 105 charges under the Criminal Code, 73 under the Liquor Control Act, 112 under the Highway Traffic Act, 35 under by-laws and 1 charge under other Provincial Statutes. This Department arrested 17 persons for other forces, served 104 summonses and conducted 7 investigations, for other forces. Police made 59 unoccupied house checks and found 23 premises insecure. There were 5 housebreaking occurrences in Deseronto in 1973 and 3 shopbreaking occurrences.

These figures for 1973 are much higher than activities reported for 1972.

Professional Development Day will be held at Deseronto Public School Wed., Jan. 16. Parents are requested to keep their children home on that day.

What Council Did

The regular meeting of the Deseronto Town Council was held Jan. 7, 1974 at 8 p.m.

The Invocation Ceremony was performed by the new minister of the Quinte Pastoral Charge, Robt. Thompson. Standing committees appointed by the 1974 Council are:

(first named to be Chairman)
1. Finance & Court of Revision: G. Lyons, P. Dickinson, P. Brooks.

2. Streets and Parks: T. Whalen, P. Brooks, P. Dickinson.

3. Fire and Police: P. Dickinson, G. Lyons, J. Neal.

4. Town Property and Industrial: J. Neal, T. Whalen, J. Mitchell.

5. Legislation, By-laws and Printing: F. Vick, M. Brooks, J. Mitchell.

6. Community Centre: J. Mitchell, G. Lyons, F. Vick.
7. Recreation: M. Brooks, F. Vick, J. Neal.

This year the Community Centre and Recreation Committee has been separated into two.

Further appointments are as follows:

- Deseronto Recreation Committee: Kess Kemp, Thomas Doyle, Gerald Lawlor, Eugene Marlow and Councillors Brooks, Mitchell and Dickinson.

- Quinte Area Emergency Measures Organization: Mayor Sharpe, Reeve Lyons, Deputy-Reeve Brooks.

-Community Centre Board: Dennis Vick, Jack Layfield, Councillor Mitchell.

-Deseronto Cemetery Board: Gerald Lott, Peter Morris.

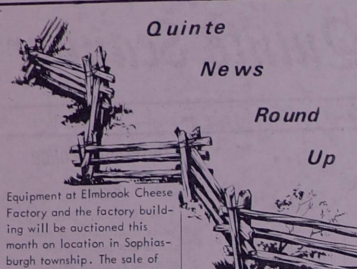

-Public Library Board: Beatrice Rixen, Flora Sexsmith, Mrs. A.G. Wakelin, Peter Morris.

-Napane Region Conservation Authority: Gerald Lott.

The meeting continued as a regular meeting of council. No answer from Ottawa concerning the Lock-Box Lobby hours has yet been received. A letter was sent Nov. 6 requesting that the lobby hours be extended till 8 p.m. at night. Council also passed a by-law authorizing the borrowing of \$125,000 for the current account. This is standard practice in case of late taxes.

Quinte News

Round Up

Equipment at Elmbrook Cheese Factory and the factory building will be auctioned this month on location in Sophiasburgh township. The sale of the real estate is subject to "a reasonable bid" and will be sold by Picton auctioneer Creighton Carr.

Elmbrook factory was among four cheese factories still operating in Prince Edward County and its decision to close was released late last year. One of the factors prominent in the closing was the difficulty in obtaining a large enough milk supply.

The Lennox Theatre Guild has decided to enter its most recent production, Noel Coward's "Blithe Spirit" in the Eastern Ontario Drama League Festival (Three-Act) this spring. Pre-judication will be conducted near the end of February. Only five entrants will compete at the festival in Brockville on March 26 - 30.

This is the first time the Guild has ever submitted an entry to the EODL festival.

The popularity of winter carnivals continues to increase throughout Hastings County. This year the Highlands of Hastings Tourist Council is contributing \$5,000 to help promote outdoor winter programs in the County. Some four carnivals - one more than last year - are now being organized.

The new event is at Coe Hill Feb. 16-17, organized by the Coe Hill Sports Club and scheduled to include racing recognized by the Ontario Snowmobile Racing Federation.

The tourist council has donated a cup for the winner while other prizes and trophies are valued at \$1,500.

Other carnivals are Belleville - Jan. 30-Feb. 3, Tweed - Feb. 8-10, and Madoc - Feb. 16-18.

The Tyendinaga Community Association held a very enjoyable evening Sat., Dec. 22 with nineteen tables of euchre in play, the winner being - Lady high - Vanetta Karnik, second - Ollie Long, third - Keitha Baverstock. Men's high - Alvin McKenzie, second high - Gerald Sager, third - Gerald Stratton. Door prizes: Jason Morris - first draw, second draw flag donated by Jack Ellis, won by Cindy Long. Christmas plants donated by Harry Gorsline were won by Donna Brant and James Sagriff. Winner of the 50-50 draw being Corliss Sero which was \$538.00. Seller Bernice Stratton won \$100.00. The draw was made by Ken Little and announced by New Chief Wm. Brant and Reeve Leonard Walsh. Next card party will be held Monday, Jan. 14. Come out and help a good cause.

Members of the Kingston Presbyterian will meet on Wed., Jan. 16 at St. Andrew's Church in Trenton for the 88th annual meeting; the theme for this meeting - "NEW MISSION OPPORTUNITY" "As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith" (Galatians 6:10).

Miss Patricia Hanna, director of services for Overseas Students and Laymen Abroad will be the guest speaker. Miss Hanna is a member of Oakwood Presby-

terian Church, Toronto, and was appointed to this position by the General Board of Missions in the spring of 1971. She was previously Assistant Head of the Modern Languages Dept. at Earl Haig Secondary School, Toronto, but resigned to take up a church vocation. Miss Hanna has travelled widely in many countries abroad and brings to her new position a keen interest in world affairs and a warm understanding of the problems of overseas students. We look forward to having her with us on this occasion.

Mrs. S. Wessman and daughter, Mrs. G. Brennan, of Belleville were Saturday guests of Mrs. James Hines.

Holiday guests of Mr. and Mrs. Blake Moore, were her son, Mr. Ken McDonald and Mrs. McDonald of Oshawa.

Welcome to Mr. and Mrs. Robt. Thompson, who is the new minister at the United Church.

The Presbyterian Ladies Aid and W.M.S. meeting will be held at the home of Mrs. Don MacMillan on Thurs., Jan. 10 at 8 p.m.

The Annual Vestry meeting of St. Mark's Anglican Church will be held on Sunday evening, Jan. 20 at the church.

Mr. and Mrs. Roy Watson, Raymond and Tammy, of Weston, were in town over the New Year's holiday, visiting their mother's and other relatives.

It's nice to see activity at the Town Rink once again, let's hope the weather helps it continue that way.

NEW MINISTER FOR QUINTE PASTORAL CHARGE

An Introduction Service was held at Melrose United Church, Jan. 1, 1974 for Mr. and Mrs.

Bob Thompson. Mr. Thompson's duties commence Jan. 1, 1974 as minister for the Quinte Pastoral Charge. Bob, as he prefers, comes to Deseronto and Melrose from Epsom-Good Wood-Utica Pastoral Charge, which are rural communities located between Uxbridge and Stouffville. Mrs. Thompson is presently serving at Wilfrid Pastoral Charge in Lindsay Presbytery. Bob and Bev are enrolled in Queen's Theological College and hope to graduate together in the spring of 1976.

Rev. Jim Cullen, of Northport conducted the service with Rev. Tom Page, of Trinity United in Napanee, supervising minister for the Quinte Pastoral Charge, giving the sermon.

Mr. Don Findlang, chairman of the Pastoral Relations Committee presented Mr. and Mrs. Thompson with a word of welcome from the Deseronto and Melrose congregations. Mr. Thompson closed the service with the benediction.

Following the service, a social hour was enjoyed in the church hall, with a lovely lunch provided by the Melrose United Church Women.

OBITUARIES

BRANT, Carrie E. of 170 Green Street, Deseronto, on Dec. 29, 1973 at the age of 88, at Lennox and Addington County General Hospital after a long illness.

Mrs. Brant was the daughter of the late Mr. and Mrs. Isaac Green of Tyendinaga Reserve and was predeceased by the rest of her family.

She was the beloved wife of the late Elijah Brant and the dear mother of Mrs. Cynthia Sero, R.R.#1 Deseronto, Gladys (Mrs. Leonard Hill) Oshawa, and Austin (Ski), Deseronto.

Mrs. Brant spent her

lifetime in this vicinity and was a member of Christ Church.

Service took place on Dec. 31, 1973 at Christ Church with Reverend Cyril Betts officiating. Pall bearers were Bennett Brant, Victor Brant, John Hill, Laverne Hill, Paul Brant, and Walter Brant.

Interment followed at Deseronto Cemetery.

Letter To The Editor

Deseronto, Ont.
 Dec. 28, 1973

Dear Sir,

Would you kindly publish this letter for me in your "Letters to the Editor" column?

This is in reply to a couple of letters that were recently published in our local papers by two "Deserontians". When I first read these masterpieces, I considered they did not need to be commented on as you often must make allowances for poorly-informed and ignorant people, but as this is an attack on the Ratepayers' Association, I feel they warrant a contradiction.

Any intelligent person who wishes to learn true facts can do so if he so desires. All he must do is attend either meetings of the town council or the Ratepayers and sort out the truth from fiction. Unfortunately, some people have one-track minds and only want to believe that which suits them and their purposes.

Some are afraid to take a

stand and be counted like a man and prefer to hide behind a bush to throw stones. The Ratepayers' Association of this town has performed a tremendous job and it was only through their efforts that we had our sewer rate reduced to one-half the original rate. Did not the mayor and some of his supporters in council say that the sewer rates could not be reduced? However, now that these rates have been reduced, these same men are trying to jump on the bandwagon and claim these rates would have been reduced eventually. How assinine can they get?

I have resided in Deseronto for forty-five years and was a member of the P.U.C. Commission for sixteen years. I know how the cards are dealt in the foregoing commission as well.

When I ponder over the years and remember all the "bungling" councils we have had administer our local business and their "bungling deals", it is too bad that we did not have a Ratepayers' Association then. Naturally, we still have "bungling deals", for example, the fooling away our town dock to Metcalfe Foods (now A.&P. Company); however, these people like their "pound of flesh" as well. When the town council installed a storm sewer across one corner of the same property, they were compelled to obtain an easement from the canning company to cross one small corner of the same

property.

When sewers were installed in this town, we were given to understand that we had a limited time to connect to same. What about all those people who still are not connected and are apparently making no effort to do so.

I also understand that raw sewage is still flowing into the Bay. The council says there is no law to compel anyone to connect to sewers unless they are polluting and who decides on the people who may be polluting? Sounds more like "gutless" buck passing.

Mr. F. Vick mentioned in a letter to the local people the Watergate affair. Well, I am certain if we were to check back into the past, even the present, we might discover a little Watergate affair being conducted right here at home. People in glass houses should not throw stones.

I do not like to discredit our town, which some people will say I am doing, but then I do not believe I can honestly do anyone harm than has previously been done by bad publicity from articles the Mayor has published in the Toronto Globe & Mail and other papers. Sometimes I am ashamed to be a citizen of this town when I hear strangers remark that our Main Street looks like an "abandoned mining town".

In trying to comprehend some of our writer's letters, I must remark that I experienced much difficulty due to such poor command of our wonderful English Language. Perhaps more attendance at our Ratepayers' Meetings would alleviate this situation.

May I extend to the Ratepayers Association a Happy and Prosperous New Year and the hope that you continue to keep our town on the straight and narrow path. Godness knows, they certainly need this type of guidance. It would be excellent if both groups could work together; however, this does not appear to be possible with the town fathers trying to use the Ratepayers' Association as a whipping boy. Without the Ratepayers' leadership in 1974, results may be disastrous to the Citizens of Deseronto.

Frank Toppings
 Deseronto.

**Public Notice**

THE PUBLIC IS INVITED TO A MEETING IN THE TOWN HALL, 331 Main Street, Deseronto, Ontario, on THURSDAY, JANUARY 10th, 1974 at 7:30 p.m.

The Hastings County Planning Board has arranged a series of meetings throughout the County for the purpose of informing residents of the Official Plan which the County Council is considering adopting.

The meeting in Deseronto, Ontario will be of particular interest to the residents of the Township of Tyendinaga and Town of Deseronto.

The Official Plan will establish the pattern which development within the County of Hastings Planning Area should follow during the period of 1974-1991.

Copies of the Plan are available at all Municipal Offices and Public Libraries and may be inspected during normal office hours.

Volume IV Number 18

HARVEY

by David R. Taylor

Harvey McFarland, the flamboyant bossman of Pictou, died on Thursday morning, Jan. 10.

In failing health for several years past, he tried to keep up his "one man band" pace to the last. He was attending a directors' meeting of the Lake Ontario Cement Co., Ltd. in Toronto at the time of his death.

Harvey started his business life in the Napanee area with a thrashing machine. He went into the contracting business and was catapulted into the bigtime with World War II government contracts. He had his finger in several pies with the late Sen. "Billy" Fraser, including the setting up of the Lake Ontario Portland Cement Company in 1956. At one time, he kept a suite of rooms at the Royal York Hotel and had his own private twin engine Beachcraft airplane and pilot.

Stories of Harvey's exploits are legend in the county. A particularly fine one, often told by old timers as an example of Harvey's temper, tells of Harvey before the war when he had a little office in back of one of the pool halls on Main Street in Pictou. For some reason, Harvey became enraged with either the telephone service or someone on the other end of the line. He tore the old box type phone off the wall; kicked it all the way up through the pool room to the main street, where he stamped on it.

He first entered local politics in April 1951 when "Buff" Cooper, the incumbent Mayor died in mid-term. The council couldn't get one of the elected councillors to take the post, so they asked Harvey to take it. He had his first election trial in 1960,

Harvey J. McFarland, Mayor of Pictou

taking the post by acclamation until then, which he won. He

had to stand for election again in 1968 and 1972, winning both times. He failed to qualify for the 1970 election giving the mayor position to Margaret Ackerman by acclamation.

The inimitable Harvey McFarland is gone, but it will be a long time before his mark on the area is obliterated.

It would be fitting if, at his funeral service, the closing words were those that became Harvey's trade mark - "God Bless You'se All".

New Chief & Council

Chief William Brant of Tyendinaga is setting aside a specific day each week to meet with Bay of Quinte Mohawks on the reserve.

The newly-elected chief told the Mohawk council inaugural meeting that he will be available each Tuesday afternoon at the reserve band office to conduct business and discuss any problems with individuals.

Need permission from Mohawk Band Council

Ontario seeks access to Highway 2

Application was made to the Mohawk Band Council on Tyendinaga by the Ministry of Transportation and Communication for rights of access to lands bordering Highway 2 at Highway 49 for purposes of general improvements to Highway 2.

Land purchases have yet to be made by the Ministry and the total area in question is some two acres at two different

locations.

John McCoppen of the Ministry said "Tonight we wish only to have permission to cross the land. This is quite separate from negotiations for land purchases."

Council agreed to send a letter of permission to the ministry as soon as possible, but requested a few days for deliberation.

- the Toronto Globe & Mail says Ontario's next lieutenant-governor will probably be a woman, the first to occupy a vice-regal post in Canada. In an Ottawa dispatch, the newspaper quotes Liberal sources as saying Prime Minister Trudeau's office is conducting a search and compiling lists of candidates for the position.

- a long-closed segment of the Trans-Northern Pipeline will finally be reopened and

pumping heating oil to Ottawa from Toronto late next week. Deliveries will quickly reach a level of about 300,000 barrels a month filling half of Ottawa's needs and reducing any threat of fuel shortages in the area this winter.

- a rare Douc Langer monkey, one of only about 50 in the world was born in captivity on Jan. 3 in the Noyegama Zoo in Yokohama. It was the first Douc Langer born in captivity in Japan,

which has four of the monkeys, and the sixth born in captivity in the world.

- playing the role of a Good Samaritan saved a Kingston teen-ager a \$100 court fine. Christopher Leacis of Kingston pleaded guilty in city court to a charge of care-less driving and was assessed a \$100 penalty. But the Judge suspended payment when told Leavis was on a "mercy trip".

Quinte News Round Up

A supermarket will open Feb. 1 in the shopping plaza now being constructed north of Napanee on Highway 41. Although the A&P store will open next month, official date for the opening of the plaza is March 14. The centre will have 18 shops, 6 boutiques, the A&P store and a Met store.

Marmora-Lake Township council this spring will review a waste disposal site at a tourist park near Crowe Lake. Council fears the site, owned by tourist operator Vern Caverley could set off a chain-reaction of dumping grounds near the area. It has been given a provisional licence by the provincial government's Waste Management Branch.

A Belleville retailer is one of the recipients of a major fashion industry award it was announced in Toronto. McIntosh Brothers Stores Ltd., was awarded a Judy by the Garment Salesmen Ontario Market for its promotion of Canadian fashion. Besides the store's two major fashion shows, they prepared special pamphlets for customers including fashion information and conducted a shopper service for older or incapacitated customers.

Prince Edward Collegiate Institute's 1974 quiz team triumphed over a team from Bayside Secondary School with a score of 250 to 100 on last week, entitling it to a place in the Prince-Edward Hastings section of the Industrial Accident Prevention Association division finals. The IAPA sponsors these contests in order to arouse interest in safety at the high school level. Three of the four PEI teams have become all-Ontario

champs, the other became the runner-up for this title.

A separate graduation will be held this year for students in the diploma nursing program at Loyalist College. Nursing education was transferred from hospital schools to community colleges in September. Students graduating this year from the two year course originally entered Edith Cavell School of Nursing and they want to graduate as a separate body, not as Loyalist students. The board of governors gave per-

GOOD NEWS IN THE NEWS

Continued from Page 1 when he struck a Public Utilities commission pole. He was rushing another person to the hospital.

Hailed by a man who was reportedly suffering an acute asthma attack, Leavis offered to drive him to Hotel Dieu Hospital's emergency department. Crown prosecutor Douglas Hardman agreed with the judge's decision to suspend payment in recognition of Leavis' role as a Good Samaritan although his driving was careless under existing road and climatic conditions.

- Ontario will allow municipalities to assemble land for housing purposes, Housing Minister Robert Welch has announced. The land-banking program will have to be compatible with the province's over-all housing policies and production goals.

- Energy conscious res-

mission for the separate graduation for this year.

"I'm damned if I know what the energy crisis has to do with electricity", said Trenton Public Utilities Commissioner Charles Hilton. Referring to world wide oil shortages, he said hydro "doesn't come stored in a barrel." I'm at a loss as to why shortages should make for electrical shortages", he said, reflecting on government appeals to the public to restrain electrical consumption.

Marmora Village Council has become so disenchanted with the services of the Quinte Humane Society for the control of pets in Marmora that they have decided to look into other possibilities. The council feels that Marmora isn't getting much for its \$1,400 a year in spite of constant council complaints about the service. The dogs are running in packs now, council noted, and continue to tear open garbage bags left for collection.

Continued on Page 5

idents of Ontario burned only one-third as much electricity to brighten Christmas trees and outdoor lighting in 1973 as they did in the previous year, Ontario Hydro says.

- a draft report by a committee of Toronto politicians and citizens recommends creation of a downtown maze to limit private cars. The suggestion is to redesign traffic routes and eventually reduce "the ability of drivers

Letter To The Editor

9 Jan, 1974

Dear Ms. Editor,
I like the "Good News in the News" feature you recently introduced to your paper. In times like these, it is refreshing to see good news represented on a front page, even though it could debateably be construed as a bias.

May I congratulate you also upon the acquisition of another intelligent correspondent. I refer of course, to Mr. Toppings of the Ratepayers Association. His letter in the last issue of your paper was most appropriate. At a point where the United States is courageously purging itself to the world, it is only fitting that we should at least purge ourselves

Good luck to you both.

Rhesus (strikes again)

of private cars to enter the core area when they please". The group also suggests public takeover of the taxi industry, making it part of the publicly-owned Toronto Transit Commission.

Mrs. Kay Hood
396-2119

The W.M.S. and Ladies Aid of the Presbyterian Church met at the home of Mrs. Don MacMillan, on Thurs., Jan. 10. The new president, Mrs. Charles Griffiths, opened the meeting with a welcome to all the members and thanked the hostess for opening her home. For the meeting, Mrs. Eric Quirk was in charge of the devotions and Mission Story. Mrs. Griffiths led in prayer. Everyone joined in the singing of a few favourite hymns. Readings were given by Mrs. Kay Hood and Mrs. Griffiths, "New Year's Meditations", "Measure of Life", and "Today". The secretary read the notice of the Annual W.M.S. meeting, to be held in Trenton on Wed., Jan. 16. It is hoped the president and secretary will be able to attend. Roll call was given with 8 members present. The ladies decided to have a "Valentine Tea and Bake Sale" on Sat., Feb. 16 from 2 to 4, at the church. The meeting closed with the Mizpah Benediction. Lunch was served by the hostess and committee and a social hour

enjoyed by all.

Mr. and Mrs. Earl Keech have returned home from England where they spent the Christmas holidays with their daughter.

The Deseronto Red Cross meeting was held on Wed., Jan. 9 at the home of Mrs. Leo Palmer. The president, Mrs. George Lyons, opened the meeting with the Lord's Prayer in unison. She welcomed the members and guests and thanked the hostess for having the meeting in her home. There were 14 present. Yearly reports were given by the committees. In the election of officers, all were returned for another year. After the meeting was adjourned, Mrs. Mervin Sherman had a contest, winner being Mrs. Jean Griffiths. A delicious lunch was served by the hostess.

The Annual meeting of the Presbyterian Church of the Redeemer will be held on Friday, Jan. 18 starting at 6 p.m. with a Congregation pot-luck supper. All members and adherents please come.

The Rarepayers' Meeting will be held on Thurs., Jan. 17 at 8 p.m. at the Public School. All are welcome to come.

Monday a pot-luck dinner and supper was enjoyed at the home of Mr. and Mrs. Merton Cummings, 96 Mill St., Deseronto. Euchre was enjoyed. Friends who attended were Mr. & Mrs. Walter Hudson, Mr. & Mrs. Wilfred Sharpe, Mrs. Helen Oliver, Mr. Norman Davis, Mrs. Freda Matthews and Mr. John Smith. Prizes won were: Mens' 1st, Wilfrid Sharpe, 2nd, Norman Davis, Booby Prize, Walter Hudson. Women's

Picton Town Council has passed a by-law supporting a 25 cent increase in direct two taxi calls. The raise is the first sought by cab drivers since 1966 when the fee was set at the present 75 cent figure for in-town calls. All stops made by drivers will be 25 cents extra. A rate of 35 cents extra per mile out-of-town will be charged. A fee of \$5 an hour waiting time also has been set. The raise was granted as a result of increased gas prices and vehicle depreciation.

Bingo at home is the aim of the Napanee Kinsmen Club starting Jan. 17. On that date, their K-I-N-G-O series will begin broadcasting over Napanee-Deseronto cablevision on channel 9.

Napanee PUC in a recently published advertisement advising residents of the town that regular patrols of street lights are being curtailed to cut maintenance costs announced "Residents of the town are requested to report outages of street lights by phoning 354-3325." Outages?

In a brief ceremony last week, Councillor Bob Patrick was officially sworn in as Trenton's mayor. Mayor Patrick replaces Duncan MacDonald, forced to resign the mayor's position Dec. 31 because of business commitments.

A resident was apprehended by Picton Police after firing a shot from a pellet gun and wounding a man on Main Street. James Hicks, 24, of Barker Street in Picton was not seriously injured when the projectile struck him on the side of the head as he

entered Pro Hardware on Main Street. Police were notified of the incident and a weapon was seized from a local resident.

The Hastings County Board of Education is pleased to announce the appointment of Mr. Walter George Beevor, B.A., B.P.E., as Superintendent of Schools. Mr. Beevor is presently principal of the Centre Hastings Secondary School in Madoc. In his new position as Superintendent of Schools, Mr. Beevor will be responsible for the Centennial and Belleville C.I. & V.S. Associated School Groups. In addition, he will have curriculum responsibilities in the Pure and Applied Sciences Field. Mr. Beevor will assume his new role effective Mar. 18, 1974.

THIS WEEK

from Ottawa

ENERGY CONFERENCE

Prime Minister Trudeau will meet with all the provincial premiers for the First Ministers Conference in Ottawa, Jan. 22-23, to discuss the energy situation in Canada. They are expected to deal with such matters as pricing of crude oil, gasoline prices, and subsidies.

ELECTION EXPENSES BILL

The House of Commons gave third and final reading to the Election Expenses Bill which imposes strict limits on election campaign spending, requires full disclosure of campaign donations in excess of \$100 permits the government to refund some of the candidate's costs and limits television and radio advertising.

AID TO HOUSING

Urban Affairs Minister Ron Basford told a news conference that the federal government has already committed \$150 million to a five year, \$500 million land assembly program to hold down the rising cost of housing. The minister said that most of this money has been allocated within the past six weeks during talks with provincial governments about new housing programs launched last summer.

COMMONS BROADCASTING

Prime Minister Trudeau stated in the House of Commons that the federal government is still interested in broadcasting proceedings of the House of Commons, but this proposition was "not met with much enthusiasm" by the opposition parties.

LIP GRANTS

Manpower and Immigration Minister Robert Andras announced that to date 3,307 grants under the Local Initiatives Program were approved for the 1973-1974 season, creating 28,000 jobs for a total federal contribution of \$70,238,905. Federal commitment to 1973-74 projects totals \$83 million.

EMBASSY IN SAUDI ARABIA

External Affairs Minister Mitchell Sharp said in the House of Commons that negotiations are underway to establish an embassy in Saudi Arabia. Should the negotiations be successful this would be Canada's first embassy in an Arab oil state.

Arena Plan

The Deseronto and District Community Centre Building Fund has announced that contributions now total \$33,161.39.

At last report the total was \$27,353.39, a gain of \$580. Donations are coming in regularly and the Building Fund Committee hopes that they continue to do so.

Lyons loses app't

George Lyons, recently re-elected Reeve of Deseronto has again been disappointed in his hopes of becoming Warden of Hastings County.

This was Mr. Lyons' third time to announce that he was interested in the post.

Jack McKenzie of Faraday Township was named Warden at Tuesday morning's meeting of Hastings County Council.

NEW PARK NEAR PICTON

A major expansion of Ontario's Provincial Parks system will include 506 acres on Lake-On-the-Mountain, on the Glenora Road near Picton. The expansion will include all of the

lake's shoreline, providing increased recreational facilities.

Although the map above is only a preliminary proposal, residents on the lake are already protesting that they were not informed of the

proposed move, and have not yet been approached concerning the availability of their land. The Ministry of the Environment has pointed out that plans will be modified according to the success of land negotiations.

RATEPAYERS

The first meeting of 1974 was held at the public school last Thursday evening with Jack de Boer in the chair and 18 persons present. As there were only 15 regular members present, due no doubt to the extreme cold weather, it was decided not to have an election of off-

icers until the next meeting which will be held on Feb. 7.

A motion was carried to invite Police Chief Carl Beattie to attend on of the associations to speak of the difficulties of policing a small town.

A further motion was made to write to the Ministry of

Transportation and Communications requesting an improvement in the lighting at the junction of Highways 2 and 49, as well as the county road previously known as No. 502 Highway. Deseronto Town Council and Tyendinaga Township Council are asked to support the association in this matter.

Mrs. Margaret Jackson

Hydro To Hold New Meetings

The Ontario Hydro has scheduled a series of meetings for public participation in planning hydro lines in Prince Edward County.

On Jan. 24th, there will be a meeting held at Inn on the Bay in Picton, with appointed and elected officials and the press invited to attend.

Further meetings planned are at Kente School in Ameliasburgh on Feb. 12, in Wellington on Feb. 13, Feb. 14 at the Queen Elizabeth School in Picton, and on Feb. 19th at the Roman Catholic Church in Marysville.

Ontario Hydro officials have already met with elected officials in Picton and a booklet called "Power to Live By" containing a public opinion survey has been circulated.

NDSS band to play at Expo '74

Ernest W. Doughty, head of Napanee District Secondary School's music department and supervisor of music for Lennox and Addington County schools, has received word that the NDSS senior concert band has been given the okay to perform at Expo '74 in Spokane, Washington on June 4.

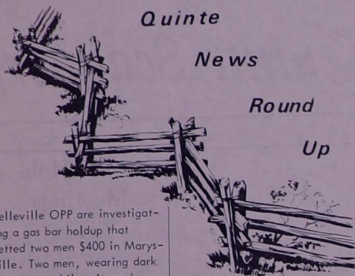

The band will be representing eastern Ontario. An estimated \$20,000 will be required to cover food, lodging and transportation expenses for the over-sixty people.

for the over sixty people in the band's entourage.

The trip's fund-raising committee is now on the lookout for public donations to supplement the funds which will be raised through projects and grants.

The entertainment showcase is being held to celebrate Spokane's Centennial and the 1976 American Bicentennial.

Quinte News Round Up

Belleville OPP are investigating a gas bar holdup that netted two men \$400 in Marysville. Two men, wearing dark blue snowmobile suits and balaclavas, entered the cut rate gas bar at the intersection of Highways 49 and 401 around 10 p.m. and ordered the attendant to give them the service station's receipts for the day. The men are believed to have fled to a waiting car.

People who leave their cars parked overnight on a Marmora street may not find them where they left them the next morning. By-law enforcement officer Pat O'Connor has instructions to take action after one warning against offenders who are impeding snow removal by leaving their cars on the streets.

Postmaster Robert Carter has announced that the Pictou Post Office lock-box lobby will re-open on a 24 hour basis. Lobby hours were restricted last February following incidents of vandalism, loitering and theft. A number of complaints have been received periodically from box-holders concerning the daily closing hours and it has been decided to again offer round-the-clock service.

Richard Todhunter, 22, of Napanee has been hired as the new recreation director at Quinte Regional Detention Centre.

The Lennox Theatre Guild in Napanee will be holding auditions Friday, Jan. 25 for the Peter Ustinov comedy "Half-way Up the Tree". The play calls for four women and

five men. Director Eldon Paulson of Kingston and his assistant Mrs. Phil Webster will be running the auditions at the theatre, Dundas Street, Napanee.

Napanee District Secondary School's Student Council held its annual toboggan party at the Napanee Golf Course hill with council supplying free hotdogs and hot chocolate to the freezing throngs which crowded the popular golf course toboggan run.

The Prince Edward Collegiate Institute safety-quiz team continued winning contests in the annual Industrial Accident Prevention Association series by defeating Trenton High School to win the section championships. The team now

plays against the winner of the Napanee-Kingston-Gananoque series on Jan. 30 in Belleville. The winner will go on to the divisional championships in Peterborough.

The Prince Edward Chamber of Commerce will hold its annual dinner meeting at Prince Edward Yacht Club, Thursday, Jan. 31. The program includes election of officers for 1974, presentations to citizens and a report on industrial development.

Letter To The Editor

Dear Sir,

I would like the citizens of out Town to know that just because I attended a meeting of the Ratepayers, I am not a member and never will be. When I mentioned in my first article, they just tear our town apart at their meetings, I was so right. I had been told by citizens who had gone to their meetings they never went back because they were so disgusted. I decided to attend one just to see if I were justified in what I had wrote. I was. To begin with they try to get involved with things that have nothing to do with Deseronto. Like wanting a light installed at 502 and 49. Also to send a letter to the Indian Reserve to give their

co-operation where the airport is conserved (sic). Someone suggested to get in touch with the council concerning the Airport there was a very sarcastic remark made about our council that I resented very much. Also a remark made about one of our citizens. One of our Industries also came in for sarcasm. What I resented was the fact that one of our councilmen (sic) still on council sat there and in no way did he defend our council. If that man is re-elected for council there is something wrong with the intelligence of citizens who vote for him. I was wrong in one statement I made in my first article. No way could council work with these people, with their ideas, remarks and so forth. I brought with me to the meeting a visitor to my home. Now I wish I had not. She was disgusted before the meeting was over and wanted to leave. I am happy to say she does not condemn (sic) Deseronto because of those few. But I am concerned (sic) about one statement made by Mr. Topping. The one that mentioned raw sewage floating in our Bay. I know Mr. Topping resented what was said about the ratepayers in my article. But he did not have to embarrass (sic) our town by bringing up that topic for a second time. I do not condone it being in the Globe and Mail a couple of years ago. By now it has been forgotten and we have

Continued on Page 7

-Pauline McGibbon, 63, chancellor of the University of Toronto, was appointed Lieutenant-governor of Ontario, the first woman to hold a vice-regal post in Canada. "People have told me that many women will be happy about the appointment," Ms. McGibbon said, "and I hope some men will be too."

-the newly-sworn-in Governor-General Jules Leger has announced that he will attempt to visit all the provincial capitals of Canada, followed by a tour of all the provinces, as well as the Yukon and the Northwest Territories. There have been no dates set yet, however.

-the Provincial Government will act on the recommendations of a select committee and bring forth legislation in the next session to govern the use of snowmobiles in Ontario. The regulations will govern mainly safety and will limit the age of children driving snowmobiles.

YOU TODAY TOMORROW

There is only today between you and tomorrow

Which is why Canada Pension Plan benefits will be increased **today** and will be kept in line with the cost increases of **tomorrow**

What this means to you as a beneficiary

From January 1st 1974, Canada Pension Plan benefit payments will be adjusted to reach . . . then maintain a level in line with the actual cost of living.

If you are receiving monthly benefits that began during the period 1967 to 1973, your benefits have been recalculated so that the amount you receive in 1974 is related to the actual increase in the cost of living over the years your benefits have been paid. When you receive your January 1974 benefit cheque, you will see that it has been increased. The increase in your payment will vary from 8% to 20% and will depend on the year in which your benefit first became payable.

In future years, if living costs continue to rise, you can expect further increases in your benefits based on current cost of living data.

What this means to you as a contributor

As a contributor to the Canada Pension Plan, you are building a basic and portable retirement plan for the future and at the same time providing current protection for yourself and your dependents against the possibility of severe disability or early death.

In order to protect the value of your eventual benefits, the Canadian Parliament has passed legislation which ensures that the contributions you make today will give benefits that maintain the purchasing power of today's wages twenty, thirty or even fifty years from now . . . when you need it!

To achieve this, the Government plans to have the earnings ceiling — the maximum amount on which contributions are paid and on which benefits are calculated — increased each year so that it will reach, and then keep even with the average earnings of Canadian industrial workers. This ceiling will be raised from \$5,600.00 in 1973, to \$6,600.00 in 1974 and \$7,400.00 in 1975.

This new earnings ceiling means that the year's basic exemption — the initial amount on which you do not pay contributions — is changed from \$600.00 in 1973 to \$700.00 for 1974.

These changes also mean that the maximum employee contributions will increase from \$90.00 a year in 1973 to \$106.20 in 1974. Your contribution is matched by your employer. In the case of self-employed persons, the maximum annual contribution is increased to \$212.40 for 1974 as against \$180.00 last year. For earnings of less than \$5,700.00, there will be no increase in contributions.

The change in the earnings ceiling means that the maximum retirement pension will rise from \$90.71 for pensions effective in December 1973 to \$134.97 for those whose pensions will begin in December 1975. As the maximum earnings levels for the years after 1975 continue to rise, so will the maximum retirement pensions in those years. There will also be increases in the maximum values each year for disability and survivors' benefits.

FOR YOUR
CONVENIENCE

Mr. and Mrs. Russell Forbes of Trenton were Sunday guests of his sister, Mrs. Charles Griffiths.

Rev. Robt. Jones announced on Sunday a special invitation to friends of the congregation of the Church of the Redeemer, to join with them in the 2 p.m. service of worship and a friendly get-together in the church hall afterwards. Also, any newcomers to Town are most welcome. The ladies group will serve tea and cookies.

A congregation pot-luck supper was held on Fri., Jan. 18 at the Presbyterian Church of the Redeemer, followed by the Annual meeting.

Mr. Henry Klaver was appointed chairman for the evening and Mrs. Harold Walmsley, secretary. To open the meeting, Mr. Klaver read I Timothy Chap. 3 and led in prayer. He asked for one minute's silence in memory of the late Mrs. Madeline Walker, who was Chairman of the Board of Managers and Treasurer of the Church. She the congregation. The new chairman of the board is Mr. Percy Brooks, with Mrs. L.T. McCullough secretary-treasurer.

Reports were given by the various organizations and all showed to have done well in 1973. Rev. Robt. Jones remarked that although few in numbers this congregations was doing a great job.

Thank you notes were sent for donations received during the year. Plans were made for a "Bottle Drive" on Sat., Apr. 20th and a "Fun Fair" Aug. 10. There was a short discussion on things to take place for the Centennial in 1975 of the Presbyterian Church of Canada. Each congregation will plan something special.

The church had quite a successful year and with God's Help they hope 1974 will continue the same. Mr. Jones closed the meeting with prayer.

At the annual vestry of St. Mark's Anglican Church held last Sunday evening, Jan. 20, wardens appointed for the year 1974 were Tom Jackson,

Annual reports were read and a budget for the year set up. Committees are being formed for such things as Finance, Building and other programs.

Rev. Frank Bell felt that the parish had accomplished a great deal during the past year, both within and outside its boundaries. The organ has been rebuilt, the interior of the church cleaned and decorated, new carpeting laid, as well as numerous other smaller jobs around the church building. Outside the parish, St. Mark's has been responsible for the installing of new docks at Camp Hyanto, the Diocesan camp at Lyndhurst, assistance to a northern parish and the regular visiting of the local nursing home.

Mr. William Kerook Sr., and Mr. Bill Kerook, Jr. of Ottawa spent the week-end with Mr. and Mrs. Freeman Maracle.

Letters

Continued from Page 2

quite a few new residents in town. Last Sept., a woman (sic) I have known for years asked me about Deseronto. She and her husband wants (sic) to leave Kingston and move into a nice quiet town and had thought about Deseronto. Now I wonder what I will say to her knowing she has read Mr. Toppings letter in the Whig-Standard. Not only her but all our relatives and friends in Kingston. But I am not alone, the rest of Deseronto also must feel the same. When it was in the Globe and Mail there were not that many people reading that paper but it is different with the Whig-Standard. There are not many homes in Kingston who do not take that paper. And putting it

in the Beaver wasn't very smart either that is closer to home for all of us. And this man is a member of our Rate-payers who want to help our town. Is it any wonder they are looked down on by our town. Must admit their numbers are few so can't see it lasting very much longer. Maybe if we just ignore them they will go away. As I have said Deseronto is a nice little town and my husband and I like living here very much. We have just had this problem a couple of years. Maybe the one who is the cause of the ratepayers being formed will move away and our town will be a nice little town again.

DECISION

Ottawa, December 21, 1973

PUBLIC ANNOUNCEMENT

CARRIAGE OF CBLFT AND GLOBAL COMMUNICATIONS

The Commission's Policy Statement on Cable Television dated July 16, 1971, sets forth the basic cable television services which all cable television systems are required to provide as a matter of priority.

A number of licensees in the Toronto and Hamilton areas have applied to the Commission for an extension of the temporary authority for the carriage of CBLFT, Channel 25 on one or more channels using the phase-lock technique until December 31, 1974 or the commencement of transmission of television signals from the CN Tower, whichever occurs earlier.

All of the licensees have made a firm commitment to implement expanded channel capacity in the near future in order to enable the carriage of all priority Canadian television signals on unimpaired channels without deleting services which have been provided to subscribers. However, due to certain difficulties, many of the licensees are unable immediately to implement expanded capacity.

Relocation of the Toronto transmitters to the CN Tower on or before December 31, 1974 will increase the signal strength of CBLT and CFMT-TV and further impair cable system channels 5 and 9 so that the phase-lock technique for CBLFT will be ineffective for those channels on most systems.

At the Public Hearings licensees maintained that the carriage of CBLFT using the phase-lock technique has been satisfactory. Licensees also claimed that a minimum number of complaints have been received and that in each of these cases remedial action was taken. The Commission will accept the use of the phase-lock technique as a temporary expedient until the end of 1974 provided licensees continue to provide remedial action where necessary.

The Commission notes that the following licensees are now carrying CBLFT on an unimpaired channel:

Citizens Cable T.V. Limited (Burlington, Ont.)
Aurora Cable T.V. Limited (Aurora, Ont.)
Metro Cable T.V. Limited (Burlington, Ont.)

Cable television carriage of Global Communications represents a unique situation since Global's coverage area is all of Southern Ontario. Since the Global System consists of a number of transmitters broadcasting on different channel frequencies, it is desirable, wherever possible, for the system to be carried on a uniform cable channel in order to enable easy identification. Channel 3 appears to be the optimum choice since it is, or can be made, available on most cable systems. The Commission indicated in letters sent to cable television licensees on September 19, 1973 that Global should be carried on a common channel wherever practical and that the best choice is channel 3.

The Commission requires licensees to provide for the carriage of Global on channel 3 except in cases where distribution on channel 3 is not technically feasible or where it would result in undesirable disruption to a local station or to the locally programmed channel.

The part of the applications made by the following licensees for the carriage of Global are denied:

Decision CRTC 73-648

NAPANEE/DESERONTO, ONT. - Part of 7309354
Napanee-Deseronto Cablevision Ltd.

These licensees will be required to arrange for the carriage of Global on Channel 3 immediately upon commencement of broadcasting and advise the Commission of the resultant channel distribution changes.

Second Class Mail - Registration No. 1738. Deseronto, Ontario.

Wednesday, January 30, 1974

Volume IV Number 21

School Advisory Committee

Deseronto Public School Advisory Committee held their first meeting of 1974 at the school on Jan. 17. The fact that these meetings are poorly attended was subject for discussion. It was felt that some people thought they should have a personal invitation, which would be rather difficult. The committee has no membership as such, but is open to anyone interested in school and community affairs whether or not they have children attending the school. Principal Al Camelford, will mention the next meeting in a school newsletter which will be sent home with children attending school, and it is hoped more people will respond.

Those present were made well aware of what good use the latest professional development Day was put to when the principal outlined a method of providing shop and home economics classes at our own school. This is a trial project which, if successful, will be repeated and will involve 120 students in the intermediate division. An important factor is that the travelling time spent attending out-of-town classes

will be saved.

Pre-kindergarten classes begin on Tues., Jan. 22nd and will be held in Mrs. Riley's room for two mornings a week for six weeks. 14 are registered for this class and there are already some registered for the second term.

It was learned that the Public Speaking Contest has a new name. It is now known as "The Oral Communications Festival" and will be held at Deseronto Public School on Feb. 5.

The primary and junior divisions of the school are presently working on a winter theme integrating language arts, mathematics and other regular subjects. It is hoped that the weather will cooperate to enable a Winter Sports Day to be held at the school.

The adult "seaside under-water" classes at the Belleville "Y" were spoken of and led to a discussion on the swimming classes for the school to be held again this year at the Black Hawk Motor Hotel. Total cost per day for transportation and use of the pool is approximately \$30 and a minimum charge of 25 cents

HELP!

We need help in identifying these photographs which recently came into our possession. They were developed from glass negatives belonging to Vince Gentile of Picton.

Glass negatives were used mostly during the early 1900's, although they continued in use by hobby photo-

graphers and some professional photographers until much later. We date these photos between 1910 and 1920.

More photographs appear on Page 7.

Anyone who can identify these photos, please call the Scanner office at 396-3431.

per day may be charged of all students attending.

Night School classes are going very well and there is a possibility of a second welding class being formed.

Volunteer Fire Force Will Be Organized

The Quinte Mohawks hope to have their own volunteer fire department operational later this year.

The reserve already has the equipments: a fire truck and tanker - and just requires the manpower; its council has been told.

In the meantime, the council has decided to retain the services of nearby Deseronto fire department to protect the

east end of the reserve.

Council agreed to a six-month contract proposed by the Deseronto town council.

Elton Brant, reserve administrator, said the service last year cost the reserve about \$1,000. Contract charges are \$75 for the first hour Deseronto firefighters spend on a reserve alarm, \$50 for each following hour plus \$2 an hour per firefighter.

Round

Up

The annual Belleville Winter Carnival Jan. 30, & 31, Feb. 1, 2, & 3, includes a carnival queen contest, parades, dances, bowling, cross country ski race, toboggan races, skating, snowmobiling, broomball and lacrosse.

The Lennox Theatre Guild is sponsoring a workshop aimed specifically at directors and aspiring directors starting Saturday, Feb. 2 at the playhouse on Dundas St. East. Valerie Hirschfield, a director with Kingston's Domino Theatre will be conducting the classes. The project is supported by the Ontario Arts Council through a Theatre Ontario Training Grant.

The Annual meeting of the Lennox Agricultural Society, will be held Thursday, Jan. 31, at 8 p.m. in the south room of the County Memorial Building, Dundas St., West.

An all-star hockey game with the Trent Balley Intermediate all-stars vs. the Tweed BP Oil Kings will be held at Picton arena, Fri., Feb. 1 with game receipts being donated to the Wellington arena rebuilding fund. The Wellington rink was recently damaged by fire.

Clarke T. Rollins announced he had been advised by the Ministry of Natural Resources that a provincial grant for \$30,000 had been granted to the Maita River Conservation Authority for the purchase of floodplain land on Deer Creek in the Village of Madoc. The land has been acquired for flood protection and eventual public

use as open space and park-land.

James A. Bird, Reeve of Picton for the past year has been chosen by Picton Town Council to complete Harvey J. McFarland's term as Mayor which has another year to run. Mr. McFarland died recently, leaving the post vacant. The Reeveship vacancy has been filled by Deputy-Reeve Ross Cronkwright, his position being taken by Councillor Larry Richardson. Mr. Richardson's position will not be filled until the next meeting, on the first Monday in February.

Portrait photographer Lloyd Thompson of Picton will be guest speaker at the regular meeting of the Rotary Club of Picton. Mr. Thompson is preparing a portfolio of portraits for publication and recently had a gallery of portraits included in Alan Capon's "Stories of Prince Edward County".

Hullmaster Boats, a Picton-based boat-building firm will be displaying the Hullmaster 22 sailing cruiser at Toronto's International Boat Show, which opens Feb. 1 at the C.N.E. grounds. Personnel from Hullmaster will also be present at the display.

IT ISN'T THE TOWN - IT'S YOU

If you want to live in the kind of town
That's the kind of town you like,
You needn't slip your clothes in a grip
And start on a long, long hike.
You'll find elsewhere what you left behind,
For there's nothing that's really new,
It's a knock at yourself when you knock your town.
It isn't your town - it's you.

Real towns are not made by men afraid
Lest somebody else gets ahead.
When everybody works and nobody shirks
You can raise your town from the dead.
And if while you make your stake
Your neighbour can make one too,
Your town will be what you want to see.
It isn't your town - it's you.

R.W. Glover.

GOOD NEWS

in the news

- Canadian National Railways said Tuesday its Turbo train service between Toronto and Montreal is so successful that another train has been added to the run. Turbo trips have frequently been sold out during the last month. The train has performed with total reliability since it was re-introduced to service before Christmas.

- France formally asked Secretary-General Kurt Waldheim on Monday to initiate procedures for a world conference on the energy crisis. French Foreign Minister

Michel Jobert said member states should consider ways of ensuring equitable fuel supply arrangements for developing and developed countries, producers and consumers.

- Arab Oil Ministers will gather in Libya Feb. 14 for a meeting generally expected to deal with a possible lifting of the Arab Oil Embargo against the United States, the Libyan oil minister has announced.

- at the end of two days of talks, the federal government and the provinces agreed to

carry on the voluntary oil and gas price freeze in Eastern Canada until the end of March. They will also work towards a national price for crude oil after April 1.

-the Canada Post office announced last week it will be releasing a new definitive seven-cent stamp April 8 featuring the late Louis St.-Laurent, Canadian Prime Minister from 1948 to 1957. Mr. St.-Laurent was still alive when a new series honoring five Canadian prime ministers was released last October.

Notice of Public Meetings

Transmission Line Study for Prince Edward County

Ontario Hydro is conducting a study to determine an environmentally and socially acceptable means of transmitting the increased amounts of power needed to maintain adequate and reliable service in Prince Edward County. One or more transmission lines will be required depending on the voltage selected (44,115 or 230 kilovolts).

Questionnaires were made available throughout the study area to help in identifying broad alternative corridors within which rights-of-way could be established. Also, meetings have been held with local municipal authorities, environmental and agricultural organizations.

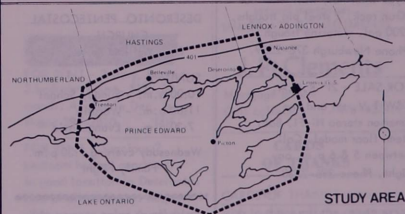

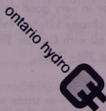

The meetings listed below have been arranged to further encourage public participation in the study, to discuss the alternatives, and to obtain information concerning any specific locations which the transmission lines should avoid.

Your attendance at one of the meetings will be a welcome contribution to the open planning process through which the most satisfactory solution can be found.

For more information please contact:

Mr. R. Murray
Senior Right-of-way Planning Engineer
Ontario Hydro

and family.

CARDS OF THANKS - For cards, flowers, calls, also the kindness from my family while I was a patient in Kingston General Hospital, my sincere thanks to Deseronto, Napanee and Belleville.

Lyla Duffield

Still a Problem

In London, England, a member of the House of Commons stood up to propose a bill banning traffic from the heart of the city.

His arguments were eloquent. It was costing the city a fortune to clean up after the traffic. The air was getting progressively fouler.

There was even some evidence that increased traffic was a contributing factor to some human illnesses.

And the noise was unrelenting and disrupting city life.

Sound familiar?

Well, the legislator made his bid for closing the streets before the turn of the century and the traffic he complained about was horse-drawn.

There were reasons for complaints. Long dresses sweeping the ground were continually getting befouled. The residue from the horse traffic may even have made high button shoes a practical necessity.

Of course, he was laughed out of the House. The horse was indispensable -- everyone knew that.

Everyone was wrong. The horse, and the pollution that had to be cleaned up by a man with a shovel and broom, disappeared from the streets with the coming of the automobile.

Just as the horse was an integral part of urban and rural life in the past century, so, today the automobile is integrated into our lives.

Cars don't pollute the ground. They dump their wastes into the air. But the concentrations of people and cars in urban areas, created in part by the technology that brought us the automobile, have brought the return of traffic pollution problems.

And just as 19th century gadgeteers tried to develop mechanisms to catch the pollution from the coal-burners, so today, the gadgeteers are

churning out add-on devices to trap the wastes from gasoline burners.

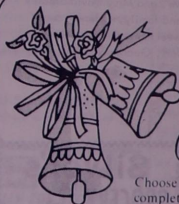

Has anything really changed?

Maybe the final answer will be a new transportation and cultural revolution just as drastic as that brought about by the automobile.

And who knows what pollution problems that will bring.

Recent dinner guests of Mr. and Mrs. Merton Cummings 96 Mill St. were Mr. and Mrs. Albert Hay and son,

Congratulations to Mrs. Nellie Marshal, Kingsford, who celebrated her 87th birthday, Jan. 21st. The family gathered for the happy occasion.

Mr. and Mrs. Clifford Triskin, Selby, entertained the Marlin bus drivers Saturday evening, to a very enjoyable time.

Mr. and Mrs. Walter Scott, Napanee, Mr. and Mrs. Fred McFarlane & Robbie, Forest Mills, were Friday evening guests at the Tucker home.

Sorry to report John Mowers not so well recently.

Empey Hill

Ruby Tucker R.R. #1, Marysville

Jim Kimmerly, Waterloo, spent last week-end at his home here.

Sigma C met Thursday evening at the church.

Mr. and Mrs. Delbert Harvey and Mrs. Robt. Harvey attended the wake of the late Sydney Fitzgerald at the Bush Funeral Home, Belleville, Wednesday evening.

Mr. and Mrs. David Stapley and family, Oshawa, were week-end visitors of Mr. and Mrs. George Marshall, Kingsford.

THIS WEEK

from Ottawa

Unemployment in Canada, seasonally adjusted, remained unchanged at 5.6% during the month of December.

The Liberal Government's Election Expenses Bill received Royal Assent just before Parliament recessed for six weeks.

The Election Expenses legislation restricts campaign spending by candidates and political parties and requires disclosure of donors who contribute \$100 or more.

The Energy Allocation Bill, the Oil Export Tax Act and the Wiretapping legislation also received final approval.

The House of Commons recess will extend until Feb. 26. The recess came after 202 days of sittings.

Central Mortgage and Housing Corporation has reported a record number of housing starts across Canada for the third consecutive year. There were 265,000 housing starts in 1973, an increase of 6% over 1972.

Jules Leger, Quebec-born career diplomat, was installed as Canada's 21st Governor-General in a colourful ceremony in the Senate Chamber of the Parliament Buildings.

Mr. Leger is only the fourth Canadian and the second of French-Canadian origin to serve as this country's Governor - General.

NEW MAN'S

This elegantly dressed woman is an example of pre-World War I styles, when ornate hats and full-length dresses were still popular.

This photograph of a lock system appears to be either part of the Trent or Rideau River.

Letter To The Editor

Glendale,
California,
Jan. 19, 1974

Editor,
Quinte Scanner,
Deseronto, Ont.

Dear Sir;

I am a Canadian, retired from the R.C.A.F. and living in Southern California. It is my intention to publish a Canadian newspaper for distribution to thousands of Canadian persons now living in the United States.

The U.S. Census Bureau tells me there are 175,000 of

us living in this (Los Angeles) county alone. There are about three million of us in the United States.

Prior to publication, I seek to acquire an inventory of Canadian feature material; history; current material; and legend.

Mr. W.L.B. McCullagh, an editor of the Belleville Intelligencer has told me of a recent issue of your newspaper that featured some interesting pictures of World War I airbases at Camps Mahawk and Rathburn including pictures of biplane aircraft of the time. He said you showed one flown by (instructor) Vernon Castle.

Do you have a copy of the article, or glossy photos, or both that you could possibly let me have for inclusion in our yet-to-be-published Canadian newspaper? Any information you can supply will be sincerely appreciated. Full credit will be given to the source of the article.

Though I grew up at Goderich, I have relatives in Tweed, Belleville, Frankford, and Madoc. I served two hitches at R.C.A.F. Str., Trenton.

Yours truly,
Walter E. Anderson.

Benefit Dance

Sponsored by

DESERONTO AND DISTRICT COMMUNITY CENTRE
FUND RAISING CAMPAIGN

February 9, 1974
9:00 to 1:00 a.m.

at the
NAPANEE TOWNE CINEMA

Keeping it clean

with Bill Dodds

Filling it up....

As much as 230,000 gallons of gasoline are wasted in Ontario every year by service station attendants.

Every time you say, "Fill it up", you risk losing a certain amount of fuel. The attendant who pumps a few cents more after the pump shuts off automatically just wants to round the total out to an even number to make change easier.

But even the most careful attendant can't always shut off the hose before a spurt of gasoline pours out over your fender. And he certainly can't do anything about the gas that surges out onto the road as you drive away.

Even if the average loss is minuscule - as low as one hundredth of one percent - that would total enough wasted gas in Ontario to keep an average driver on the road for more than a century.

And the gasoline that is lost evaporates into the air, adding about 900 tons of pollution every year to this province.

The Ministry of the Environment is distributing decals for car windows, bumpers or gas tank caps that remind service stations not to overfill your car.

If you'd like one, write: Informations Services Branch, Ministry of the Environment, 135 St. Clair Ave., W., Toronto M4V 1P5

They're free, they help fight pollution and a waste of energy and they can save you money in the long run.

While we're on the subject of cars and pollution, I'm told that when the thermometer drops to freezing and below, the levels of pollution put out by cars rises dramatically.

This is especially true during warmup, while the automatic choke is on and the car is running up to normal operating temperature.

It could mean higher carbon monoxide levels in city streets during cold weather.

But a block heater almost eliminates this cold weather

problem.

If you have a heater and plug your car in overnight, it will not only start better, but also run more cleanly and efficiently all winter.

Notes

If you want to give a present that will last, consider a gift of garden plants. Trees, shrubs, and roses will last for many years, points out Burke McNeill, horticultural specialist, Ontario Ministry of Agriculture and Food.

Gardeners will appreciate the thought behind the gift of a rose bush, shrub, or shade tree for their garden. New homeowners too will be pleased to receive an addition for their garden. Many new, and sometimes rare plants, are available at garden centres.

Most nurseries and garden centres provide gift certificates. These can be purchased for specific plants to be delivered just before the planting season. If you're uncertain of which plants to buy, gift certificates can be obtained for any amount of money, redeemable during the planting season for plants of the recipient's choice.

THE ART THAT CAME IN FROM THE COLD

Come in from the cold some afternoon and see how our Eskimos coped with their harsh environment. At the McMichael Canadian Collection in Kleinburg, works of art created by the Eskimo are on prominent display every afternoon but Monday. Carvings from blackstone, soapstone and whalebone tell of the legends and animals of the Arctic. Seal skin and stone prints provide a glimpse into the Eskimo's rich mythological and spiritual world, inhabited by demons, spirits and unusual arctic creatures.

Inspired by a love for Canadian Art, the McMichael Canadian Collection features landscape paintings by the Group of Seven and their contemporaries as well as pioneer furniture and artifacts. These dominate the Collection but increasingly works produced by our native peoples, the Eskimo and Indian, are making the Collection a unique home for all types of Canadian art. A glowing tribute to Canada's artistic heritage, the rambling log and stone complex is ideally set in a wooded park. It houses 900

works in its thirty gallery rooms.

A small collection of fine Eskimo prints and carved pieces are available in the Gallery Shop along with reproductions of many paintings in the Collection, Canadian books and gift items. For your added convenience, a wood-paneled dining room which reveals an exquisite view of the surrounding countryside through its panoramic windows serves lunch and afternoon tea.

This winter as softly-fallen snow adds a touch of magic to the Gallery's winding paths and gently sloping hills visit the McMichael Collection in Kleinburg and recapture pleasant memories of the past. Open every afternoon but Monday from 12:00 noon to 5:30 p.m., there is no admission charge..

Canadian farmers' total cash receipts from farming operations in all provinces except Newfoundland for the period of January to November, totalled an estimated \$6.34 billion, an increase of 31.2% from the \$4.83 billion total of 1972.

COUNTY OF HASTINGS

The County of Hastings requires a Licensed Mechanic for the Roads Department.

DUTIES: Under the direction of the General Foreman, the mechanic will carry out various inspections and repairs on County-owned road construction and maintenance equipment such as half-ton and six-ton trucks, graders, loaders and small tractors.

QUALIFICATIONS: The applicant must possess a Class 'A' Mechanic's Certificate with preference being given to those with experience on heavy diesel equipment. Application forms may be picked up at the County Administration Buildings or submitted in writing to the undersigned.
